When we stand up at Kintamani, we will be able to see the rural area which is close to the lake Batur , Having Lunch, Tea with Indonesian and Balinese food on local restaurant will be great moment when visiting this interesting place.

Gunung Kawi Temple Sebatu Village: the second large holy water temple at the north of Ubud. Located at Sebatu village establized on fresh air area as 15 km under the volcano batur feet. Gunung kawi temple at Sebatu village has an view different holy spring water, generated for blessing of bad spirit and blessing on holy spring water for peaceful in mind.

Tegalalang Rice Terrace: Various wood handy craft and small mosaic can be found along the road in this village . Very colorful carvings of flowers, animals and other designs are displayed , and of course a beautiful rice field. Tegallalang Rice Terrace has beautiful view with coconut trees and beautiful small river valley.

Monkey Forest Ubud: The funny place on the heart of the town. Monkey forest ubud located on the central of ubud down town. Well managed and maintenace by village of Padang Tegal , make the forest become a icon of Ubud on 2017 . Funny monkey on their own habitat welcoming a visitior to exploring the forest area. Just one advice for visiting monkey forest.

Overnight at Bali.

Day 3:

After breakfast at the hotel we will visit **Bali Temples and Rice Terraces Full-Day Tours**, Bali-10 Hrs Explore Bali's ancient temples, farms and terraced rice fields on a full-day tour through the island's most remarkable places. See the 11th-century shines at Gunung Kawi, and experience a holy blessing in Tirta Empul's temple spring. Enjoy lunch at a jungle restaurant before trekking into the heart of a lush rice paddy for views of the jade-green landscape. Taste Bali's renowned Luwak coffee at a local plantation, then spot the long-tailed macaques in a monkey forest before returning to your hotel. Bali Temples and Rice Terraces Tour brings you to the centre of art and culture in Ubud, you will see how the local people live their daily life and make their creations. In this tour you will be invited to

have a holy blessing at the holy spring temple for purification and soul cleansing.

At 9am you will be picked up from your accommodation in your private vehicle and taken to Ubud.

You will arrive at Gunung Kawi at 10:30am. This is an 11th century temple and funerary complex that is spread across either side of the Pakerisan River. It comprises 10 rock-cut Candi (shrines) that are carved into some 7 metre high (23 foot) sheltered niches of the sheer cliff face.

Visit the Holy Spring Temple (Tirta Empul). Here you can have a holy blessing for purification. You will be provided with a Sarong to enter the temple as well as doing the blessing.

Next you will have a lunch at a small restaurant inside the jungle with views of the valley and rice terraces. The rice terraces are the next stop. You will have a short trek to the middle of rice paddy fields surrounded by the green countryside. After your short trek you will stop at a coffee plantation to taste the Luwak Coffee which is strangely digested through the Luwak.

Visit a popular monkey forest in the centre of Ubud to see long tailed macaques in the green jungle before arriving back at your hotel at 7pm.

Overnight at Bali.
